## Guidelines for the Lesson Plan

**Title (Times New Roman Bold 14)**

*Name Surname (Times New Roman italics 12)*

*Specialisation<sup>1</sup>, Country, e-mail address (Times New Roman italics 11)*

Text (Times New Roman, 12), not less than 1 page and not more than 2 pages; margins (up-down-right-left: 2.5cm (you could use this file as a template).

1. Define the general topic of your lesson plan
2. Define the target group, e.g. pupils of primary school (6-7 years old), adults
3. If your lesson plan is relevant to a topic or subtopic of one or more Ocean Literacy (OL) Principles and concepts, please add this in the text, e.g., OL Principle 5, concept 3
4. It is recommended to refer to a topic or subtopic of the OL Scope & Sequence of the OL Principle your lesson plan is relevant, e.g., water cycle
5. Connect your lesson plan with one or more Sustainable Development Goals of the Agenda 2030, e.g., SDG13 and SDG4 (or with any other known frameworks such as Mission Ocean)
6. If you like, you can get inspired by projects applied to the EU Blue Schools network ([https://maritime-forum.ec.europa.eu/system/files/2021-02/handbook\\_european\\_blue\\_schools\\_220221.pdf](https://maritime-forum.ec.europa.eu/system/files/2021-02/handbook_european_blue_schools_220221.pdf))
7. Think of ways to integrate blue economy concepts and blue careers into your lesson plan
8. Define one or more pedagogical strategies you are going to implement for your lesson plan
9. Send your lesson plan to Yolanda Koulouri [yol72@hcmr.gr](mailto:yol72@hcmr.gr) and Thanos Mogias [amogias@eled.duth.gr](mailto:amogias@eled.duth.gr) by **15<sup>th</sup> May 2024**.
