

## Selected Scientific papers

1. J. C. Mourmouris, Les Méthodes multicritères comme un outil de la recherche opérationnelle pour les problèmes de transport, Thèse de Docteur Ingénieur, Université Pierre et Marie Curie, Paris, France, 1981.
2. J. C. Mourmouris et A. Bieber, Sur les processus de décision en Transport Urbain, R.T.S. (Recherche-Transports-Sécurité) Number 4, Revue de l'IRT et de l'ONSER, France, 1984.
3. J. C. Mourmouris, A multicriteria approach to home location analysis, EURO VII: European Congress of Operations Research, Bologna, Italy, 1985.
4. J. C. Mourmouris and A. Bieber, Inter-regional transport policy in France: Main issues, International Symposium on Intercity public passenger transportation in Greece: Organization, Policy, Problems and Prospects, Athens, Greece, 1985.
5. J. C. Mourmouris, Intermodal passenger competition: Impact and policy evaluation, International Symposium on Intercity public passenger transportation in Greece: Organization, Policy, Problems and Prospects, Athens, Greece, 1985.
6. J. C. Mourmouris, Ship or fleet choice: A multicriteria approach to the feeder services, EURO VIII: European Conference on Operational Research, Lisbon, Portugal, 1986.
7. J. C. Mourmouris, Round-the-world services: A reorganizational challenge for containership fleets, EURO VIII: European Conference on Operational Research, Lisbon, Portugal, 1986.
8. J. C. Mourmouris, Hestia-Hermes: A computer-based household interviewing for residential choice EURO VIII: European Conference on Operational Research, Lisbon, Portugal, 1986.
9. J. C. Mourmouris, Transport et choix résidentiel: Hestia-Hermès, un système multicritère interactif, Thèse de Doctorat d'Etat es Sciences de Gestion, Université de Paris - Dauphine, France, 1987.
10. John C. Mourmouris, Multiple Criteria Decision Making for Solid Waste Disposal Facilities: Evaluation and Location, 4th Balkan Conference on Operational Research, Thessaloniki, Greece, October 20-23, 1997.
11. John C. Mourmouris, MIDAS: Multiple - Criteria Interactive Decision Aid Simulation in Urban, Regional and Transportation Planning, Πρακτικά Συνεδρίου, NECTAR-Workshop, Brussels, Belgium, 26-28 March, 1998.
12. Giaoutzi, M., J. C. Mourmouris, The role of decision support frameworks on large scale transport projects, Studies in honour of Professor N. Konsolas, Panteion University of social and political sciences, Athens, Greece, 2005.
13. J. C. Mourmouris, Transportation Investment and Economic Development, 1st International Conference on «Business Relations and Development in the Era of International Economic Interdependence» of IERD: International Economic Relations and Development Dept., Democritus University of Thrace, CEDIMES Institute (Paris, France) and DELIVANIS Foundation, Komotini, Greece, 13-16 October, 2005.
14. John C. Mourmouris, M.C.D.M.: Multiple Criteria Decision Making for Location and Evaluation of Waste Disposal Facilities in Metropolitan Areas: The case of East

- Attica, IJETM: International Journal of Environmental Technology and Management, Vol. 6, Nos. 1/2, 2006.
15. J. C. Mourmouris, M. Giaoutzi, Th. Hadzichristos, Delineating Ecoregions for Tourism Development, Book title: Tourism and Regional Development: New Pathways, Editors: Maria Giaoutzi and Peter Nijkamp, Economic Geography Series, Ashgate, England, UK, 2006.
  16. J. C. Mourmouris, M. Giaoutzi, Impact assessment of trans-European networks on area development, Book title: Evaluation in Planning: Evolution and Prospects, Editor: E.R. Alexander, Urban and Regional Planning and Development Series, Ashgate, England, UK, 2006.
  17. Dionelis Ch., M. Giaoutzi, and J. C. Mourmouris, The Network Versus Corridor Concept in Transportation Planning, Book title: Network Strategies in Europe, Editors: Maria Giaoutzi and Peter Nijkamp, Ashgate, England, UK, 2008.
  18. Patris G. M. Giaoutzi, J. C. Mourmouris, Integrated Restructuring of Urban Transport Networks: A Case Study on the Athens Tramway System, Book title: Network Strategies in Europe, Editors: Maria Giaoutzi and Peter Nijkamp, Ashgate, England, UK, 2008.
  19. Periklis Gogas, John C. Mourmouris, Theophilos Papadimitriou, Economic Viability and Macroeconomic Impact of the Burgas-Alexandroupolis Pipeline, IJEME: International Journal of Economics and Management Engineering, Vol. 2 No.1, February, 2012.
  20. J. C. Mourmouris, C. Potolias, J. G. Fantidis, Evaluation of Renewable Energy Sources Exploitation at remote regions, using Computing Model and Multi-Criteria Analysis: A Case-Study in Samothrace, Greece, IJRER: International Journal of Renewable Energy Research, Vol. 2, No. 2, 2012.
  21. Dionelis Christos, John C. Mourmouris and Maria Giaoutzi, The European Railways in the TEN context: From Planning to implementation, RSI: Regional Science Inquiry, Vol. IV, Number 1, July, 2012. (forthcoming)
  22. Konstantinos J. Hazakis, John C. Mourmouris, Social impact assessment of FDI in energy projects: Burgas-Alexandroupolis oil pipeline as a case study, IJTGM: International Journal of Trade and Global Markets, Vol. x, No. x, 2012. (forthcoming)

### **Books**

23. J. C. Mourmouris, avec la collaboration de B. Foraste et J.- P. Orfeuil, HESTIA-HERMES: Une procédure multicritère interactive d'acquisition et de traitement des données subjectives avec une application au choix résidentiel, Σειρά βιβλίων INRETS, No 89, ISBN 2 -85782-253-7, 1989.

### **Patent (Licence Brevet)**

24. Patent (Brevet - Licence): Hestia-Hermès, Software system, Number 8805-13.4.1987, ABRITT (Assistance BRevets Industrialisation par Transport de Technologie).
